

## Our Rainbow Curriculum

### Interventions EYFS Hoot Owls

In Reception Hoot Owls at Brookside, we believe in developing the 'whole child' to prepare them for starting the KS1 Curriculum. This means completing rigorous assessments in all areas of the Curriculum including Physical, Emotional, Speech & Language as well as their Academic ability. Children are then supported through *targeted* group or individual work to develop at their own pace. We encourage children to think and do for themselves, promote *independence* as well as *resilience*. We also follow a *Co-operative Learning* style using the *Kagan* teaching techniques which promote the importance of working with others through talking and sharing knowledge. We have high expectation of ALL our children and strive for them to become the best they can be by the end of the year.

We run a **Rainbow Curriculum** within our main EYFS Hoot Owl Curriculum which provides the Interventions needed for individual children.

The children are placed in the following Intervention Groups if needed.....

**Fine Motor Rainbow**

**Gross Motor Rainbow**

**Speech and Language Rainbow - Languagelink/Speechlink or 1:1**

Phonics/Blending Rainbow

Social Skills Rainbow

Maths Booster Rainbow

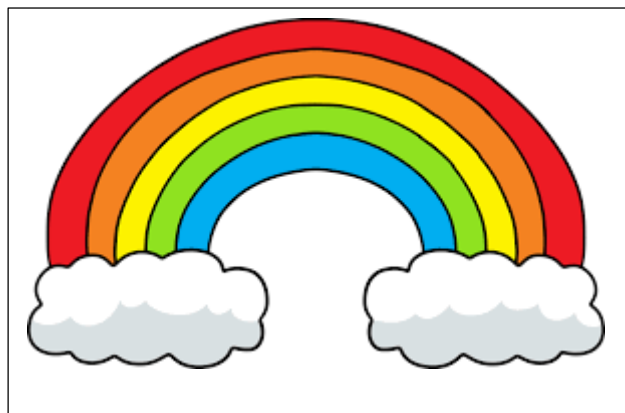

Scissor Skills Rainbow

Acceleration Maths Rainbow

Acceleration Reading Rainbow

Acceleration Writing Rainbow

The children are provided with activities that are suited to their level of development, including the Homework that they are given.

In EYFS Hoot Owls **every** child is seen as an individual. We find gaps and support children to develop in these areas, or we accelerate them with appropriate levels of challenge.
