

Admissions

We are very happy to show any potential new parents and children around school - please contact the school office on 01663 763 943 to arrange a visit.

All applications for places at Brookside Primary School (Reception and in year transfers) must be completed online using the Stockport Council Admissions Website. Please read the online guidance carefully and ensure that applications are made before the appropriate deadline.

In the summer term we hold meetings for new Reception parents. We will write to all parents of the children who have been allocated places at Brookside inviting them to attend.

If you have any further questions regarding the admission process please feel free to contact us by phone or email.
