

## Our Curriculum Pledge

At Brookside Primary School, we believe that learning should be exciting, purposeful and challenging. Our school aims to inspire and prepare every child to have high expectations of themselves and others. We will achieve this through providing a creative and challenging curriculum which motivates and encourages all children to reach their potential. We want all our children to be happy, confident and inquisitive learners. To ensure this, we have written “Our Pledge” to allow all our children to have access to a range of experiences that will widen their learning opportunities.
